

Viewforth High School

Windmill Community Campus, Windmill Road, Kirkcaldy, KY1 3AL

Head Teacher: Lisa Moore

Depute Head Teachers: June Greig, Alistair Stewart, Jack Wilson

Dear Parents and Carers

05 October 2020

Last week of term

It's hard to believe that the last week of term has arrived. It's been an interesting term with lots of new routines to get used to, but I'm pleased to say that VHS is coping well. Not only have we been getting used to the new health and safety arrangements but we've been working hard to ensure the very best experience for all of our young people. Our new Pupil Support Faculty are getting to know all of the pupils in their caseloads and are building very positive relationships with families and partner agencies.

It was great to see VHS in the Fife Free Press last week with a full page celebrating the great work that is taking place across the school. If you haven't seen this, there may still be copies in the shops!

Fundraising activities

Our House Captains have been tasked with their first House competition in support of the local Foodbank. They have asked pupils in their House groups to donate an item for the Foodbank and for every item donated, their House will receive one point. We plan to deliver the items to the Foodbank on Friday and ask that all donations be handed in before the end of the day on Wednesday. If you would like to support this cause, your son/daughter can donate items via registration or items can be handed into the school office.

We are also having a 'dress down day' this Friday in support of Rosslyn School. Rosslyn are in the process of raising funds to create a sensory garden for their pupils and as we share Windmill Campus with them we'd like to support this great cause. Pupils and staff are welcome to 'dress down' on Friday and are encouraged to bring £1 with them. Donations will be collected via registration classes.

Face coverings

Unfortunately, we are seeing an increasing number of young people forgetting to pack their masks on a daily basis. To help remind pupils of the need to bring a mask to school we will be sending a Groupcall message to parents/carers of pupils who are being issued with a disposable face covering. Please continue to ensure your child has their mask with them before they leave for school.

Visitor access to the building

We are required to limit the number of visitors to the school building at this time and would kindly request that parents/carers access the building by appointment only. Please contact the school office if you require to visit the school.

Please continue to look after yourselves and stay safe.
Yours sincerely

A handwritten signature in black ink, appearing to read 'L Moore', is written over a light grey rectangular background.
