

# Viewforth High School

Windmill Community Campus, Windmill Road, Kirkcaldy, Fife, KY1 3AL

Head Teacher: Lisa Moore

Depute Head Teachers: June Greig, Alistair Stewart, Jack Wilson

19 April 2021

Dear Parent/Carer

I hope this letter finds you and your families well.

As many other Local Authorities return to school this week, we are already well under way with term 4 and I'm very proud of how our pupils have responded to the health and safety mitigations we have in place. The vast majority of pupils are arriving at school wearing their face covering and this is great to see and I thank you for your support with this. We are issuing a number of disposable face coverings each day and I would again ask for the support of parents/carers to ensure your child has their face covering in their bag or pocket before they leave the house each morning. We will continue to do all we can to ensure the school environment is as safe as possible and thank you for continuing to reinforce the key messages re health and safety.

## **School Uniform**

A reminder that all pupils should be dressed in full school uniform and tracksuits and jeans are not part of the VHS school uniform. If you require support to ensure your child has school uniform, please contact your child's Guidance Teacher. Hats and hoods must be removed when in the school building to enable us to identify the pupils. It's very difficult to see them clearly when they are wearing their face covering and a hat or hood.

## **Study Support**

Mrs Greig has updated the study support timetable for this term and this is attached for your information. Senior pupils who are preparing for assessments are encouraged to attend these sessions to support them to achieve their very best this term.

## **Alternative Certification Model**

Mrs Greig is working with our Principal Teachers to finalise our assessment timeline for S4-S6 pupils this term. As you know there will be no formal assessments taking place prior to May, however depending on the subjects of study, young people may be working to complete portfolios or practical pieces of evidence. The timeline will be shared with all pupils and parents/carers in the coming days along with more information of what to expect this term.

Please continue to look after yourselves and stay safe.

Yours faithfully

Lisa Moore  
Head Teacher
